

NEW MEXICO BUREAU OF LAND MANAGEMENT
INFORMATION CHECKLIST FOR NOTICE UNDER 43 CFR 3809
(Exploration Operations of 5 acres or less)

(NOTE: The New Mexico State Mining and Minerals Division (MMD) may also require a permit. You may wish to supplement with a copy of your MMD permit application.

You must provide to BLM a financial guarantee that meets the requirements of 3809.552 before beginning operations (3809.312 (c)). Evidence of a State-approved financial guarantee under the State Mining Act rules may suffice in 3809.570.)

Operator Information (3809.301 (b)(1))

- Name, mailing address, phone number, and taxpayer ID number
- BLM serial numbers of any involved unpatented mining claims
- If a corporation, identify an individual contact

Activity Description, Map, and Schedule of Activities (3809.301 (b)(2))

A description of the proposed activity including:

- Measures to prevent undue and unnecessary degradation
- Map of project area and access roads
- Description of equipment to be used
- Schedule of activities including start and end dates

Reclamation Plan (3809.301(b)(3))

- A description of your reclamation plan to the standards described in 3809.420

Reclamation Cost Estimate (3809.301 (b)(4))

- An estimate of the cost to reclaim your operations as required in 3809.552
